The School District of Walton County has available for review and inspection the asbestos management plans for all schools and buildings under the jurisdiction of the Walton County School Board. These plans are available for public review and inspection at the Facilities Department, WISE Educational Complex in DeFuniak Springs, FL and at each school or administrative office. Any person interested in reviewing these plans should contact the school or the Facilities Planning Department at (850) 892-1100 ext. 1810.
