**Domain A: Data-Based Decision Making and Evaluation of Practices (Behavior Specialists)**

<i>Highly Effective</i>	<i>Effective</i>	<i>Needs Improvement</i>	<i>Unsatisfactory</i>
<b>1. Collects and uses data to develop and implement interventions within a problem-solving framework.</b>			
<i>In addition to the characteristics of Effective:</i> Uses and/or facilitates collecting district data relevant to informing problem identification, problem analysis and intervention design at the school and/or district level.	Uses and/or facilitates collecting available school data and facilitates collection of additional student data (e.g., screening, progress monitoring and diagnostic assessment) relevant to informing problem identification, problem analysis and intervention design.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
<b>2. Analyzes multiple sources of qualitative and quantitative data to inform decision making.</b>			
<i>In addition to the characteristics of Effective:</i> Analyzes, integrates and interprets data from multiple sources at the school or district level and uses the data to facilitate informed school- and/or district-level decisions.	Independently analyzes, integrates and interprets data from multiple sources at the individual and group level and uses the data to facilitate informed decisions.	Practice is emerging but requires supervision, support and/or training to be effective.	Does not demonstrate or ineffectively demonstrates the practice.
<b>3. Uses data to monitor student progress (academic, social/emotional/behavioral) and health and evaluate the effectiveness of services on student achievement.</b>			
<i>In addition to the characteristics of Effective:</i> Uses school or district data to monitor the effectiveness of MTSS supports and intervention program outcomes.	Independently uses individual and group data to monitor student progress, evaluate the effectiveness of academic and behavioral instruction/intervention and modify interventions based on student data.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
<b>4. Shares student performance data in a relevant and understandable way with students, parents and administrators.</b>			
<i>In addition to the characteristics of Effective:</i> Trains or mentors others to provide feedback on student performance and other assessment data to stakeholders and to present data in a way that is understandable and relevant to stakeholder interest/needs.	Independently provides feedback on student performance and other assessment data to stakeholders (students, teachers, parents, administrators, school teams) and presents data in a way that is understandable and relevant to stakeholder interest/needs.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.

**Domain B: Instruction/Intervention Planning and Design (Behavior Specialists)**

<i>Highly Effective</i>	<i>Effective</i>	<i>Needs Improvement</i>	<i>Unsatisfactory</i>
1. Uses a collaborative problem-solving framework as the basis for identification and planning for academic, behavioral and health interventions and supports.			
<i>In addition to the characteristics of Effective:</i> Provides a leadership role by training others and mentoring team members to identify, problem solve and plan academic and behavioral interventions.	Independently works with team members to identify, problem solve and plan academic, behavioral and health interventions.	Practice is emerging but requires supervision, supports, and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
2. Plans and designs instruction/intervention based on data and aligns efforts with the school and district improvement plans and state and federal mandates.			
<i>In addition to the characteristics of Effective:</i> Trains and mentors others in collecting and using multiple sources of data, including individual, classroom, district and state assessments, to design and plan instruction and interventions that are aligned with school improvement priorities and other mandates.	Independently facilitates the use of multiple sources of data, including individual classroom, district and state assessments, to design and plan instruction and interventions that are aligned with school improvement priorities and other mandates.	Practice is emerging but requires supervision, supports, and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
3. Applies evidence-based research and best practices to improve instruction/interventions.			
<i>In addition to the characteristics of Effective:</i> Applies evidenced-based practices when developing and planning instruction and interventions across all levels of MTSS (individual, targeted group, school, district).	Independently applies EBPs when developing and planning instruction and intervention.	Practice is emerging but requires supervision, support and/or training to be effective.	Does not demonstrate or ineffectively demonstrates the practice.
4. Develops intervention support plans that help the student, family or other community agencies and systems of support reach a desired goal.			
<i>In addition to the characteristics of Effective:</i> Facilitates collaboration at multiple levels to identify systems-level needs, resources and infrastructure to access services and supports.	Independently facilitates development of a support plan that reflects the goals of stakeholders and includes supports to obtain the goals.	Practice is emerging but requires supervision, supports, and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
5. Engages parents and community partners in the planning and design of instruction/interventions.			
<i>In addition to the characteristics of Effective:</i> Develops systems-level strategies (e.g., validate participation,	Independently engages families, community and educational stakeholders when planning and	Practice is emerging but requires supervision, supports, and training or prompts to consistently demonstrate	Does not demonstrate or ineffectively demonstrates the practice.

Domain C: Instruction/Intervention Delivery and Facilitation (Behavior Specialists)			
Highly Effective	Effective	Needs Improvement	Unsatisfactory
1. Collaborates with school-based and district-level teams to develop and maintain an MTSS to support the academic, social, emotional and behavioral success and health of all students.			
<i>In addition to the characteristics of Effective:</i> Facilitates the development of MTSS at multiple levels by implementing interventions that address schoolwide and/or district issues/concerns.	Facilitates the development of MTSS at the school level by implementing interventions that match the intensity of student, group or school needs.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
2. Consults and collaborates at the individual, family, group and systems levels to implement effective instruction and intervention services.			
<i>In addition to the characteristics of Effective:</i> Consults and collaborates at multiple levels to implement and evaluate academic and social, emotional/behavioral and health interventions.	Consults and collaborates with individuals, families and/or group levels to implement and evaluate academic, social, emotional/behavioral and health interventions.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
3. Implements EBPs within a multi-tiered framework.			
<i>In addition to the characteristics of Effective:</i> Assists in implementing EBPs relevant at multiple levels of interventions and supports.	Facilitates implementation of EBPs for individual students and/or targeted groups.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
4. Identifies, provides and/or refers for supports designed to help students overcome barriers that impede learning.			
<i>In addition to the characteristics of Effective:</i> Facilitates identification of systemic barriers to social/emotional/academic learning and facilitates the development of broader support systems for students and families.	Identifies barriers to social/emotional/academic learning and connects students with resources that support positive student outcomes/goals.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
5. Promotes student outcomes related to career and college readiness.			
<i>In addition to the characteristics of Effective:</i> Assists in the development/ planning of district level or school level policies/interventions/supports that address behavioral outcomes related to student postsecondary goal attainment.	Develops/plans interventions or programs to increase student engagement (e.g., attendance, on-task behavior, rigorous/relevant instruction, participation in school activities) and other behavioral outcomes to support attainment of post-secondary goals.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.

6. Provides relevant information regarding child and adolescent development, barriers to learning and student risk factors.			
<i>In addition to the characteristics of Effective:</i> Develops/provides trainings that include EBPs related to developmental issues, barriers to learning and risk factors related to healthy social/emotional growth.	Provides students, staff and parents with information, research and EBPs related to developmental issues, barriers to learning and risk factors related to healthy social/emotional growth.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.

Domain D: Learning Environment (Behavior Specialists)			
<i>Highly Effective</i>	<i>Effective</i>	<i>Needs Improvement</i>	<i>Unsatisfactory</i>
1. Collaborates with teachers and administrators to develop and implement schoolwide PBS.			
<i>In addition to the characteristics of Effective:</i> Interacts with school, district, parents and community partners to sustain and promote effective system-wide programs/services that result in a healthy school climate.	Interacts with school personnel to promote and implement schoolwide PBS.	Practice is emerging but requires supervision, support and/or training to be effective.	Does not demonstrate or ineffectively demonstrates the practice.
2. Collaborates with school personnel and students to foster student engagement (e.g., involvement, motivation, persistence, resilience, ownership).			
<i>In addition to the characteristics of Effective:</i> Examines need and feasibility for systemic intervention to support and increase student engagement districtwide.	Consults with school staff and students to identify strengths and weaknesses as part of problem solving and intervention planning to increase student engagement.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
3. Promotes safe school environments.			
<i>In addition to the characteristics of Effective:</i> Collaborates with learning community to enhance, support and/or create safe and violence-free school climates through provision of training and advancement of state, school and/or district initiatives that relate to healthy and violence-free schools.	Collaborates with school personnel to promote and assist in implementing effective programs/services that result in safe and violence-free school climates (i.e., readiness, school failure, attendance, dropout, bullying, child abuse, youth suicide, school violence).	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
4. Integrates relevant cultural issues and contexts that impact family-school partnerships.			
<i>In addition to the characteristics of Effective:</i> Promotes multicultural understanding and dialogue through provision of training and information dissemination to examine the broader context of cultural issues that impact family-school partnerships.	Identifies relevant cultural issues and contexts that impact family-school partnerships and uses this knowledge as the basis for problem solving related to prevention and intervention.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.

**Domain E: Professional Learning, Responsibility and Ethical Practice (Behavior Specialists)**

<i>Highly Effective</i>	<i>Effective</i>	<i>Needs Improvement</i>	<i>Unsatisfactory</i>
1. Develops a personal, professional growth plan that enhances professional knowledge, skills and practice and addresses areas of need on the evaluation.			
<i>In addition to the characteristics of Effective:</i> solicits feedback from supervisors and colleagues and initiates activities or modifies plan based on performance outcomes.	Maintains a plan for continuous professional growth and skill development aligned with performance evaluation outcomes and personal/professional goals.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
2. Engages in targeted professional growth opportunities and reflective practices (e.g., professional learning community [PLC]).			
<i>In addition to the characteristics of Effective:</i> Facilitates professional learning activities and initiates activities that contribute to professional growth of self and others.	Participates in professional learning opportunities and reflective practices consistent with the professional growth plan.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
3. Implements knowledge and skills learned in professional development activities.			
<i>In addition to the characteristics of Effective:</i> Integrates and applies acquired knowledge and training into professional practice in order to mentor and/or train others.	Implements knowledge and skills learned in professional development activities into professional practice.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
4. Demonstrates effective recordkeeping skills.			
<i>In addition to the characteristics of Effective:</i> Tracks treatment dosage, tracks the impact of services on student outcomes and uses records to make decisions about the service delivery system.	Maintains complete and accurate records including documentation of planning, implementation and evaluation of services.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
5. Demonstrates effective oral and written communication skills.			
<i>In addition to the characteristics of Effective:</i> Facilitates communication, adapts communication style and content to a variety of audiences.	Demonstrates coherent and professional written and oral communication skills.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
6. Complies with national and state laws, district policies and guidelines and ethical educational and professional standards.

**Domain A: Data-Based Decision Making and Evaluation of Practices (OT/PT)**

<i>Highly Effective</i>	<i>Effective</i>	<i>Needs Improvement</i>	<i>Unsatisfactory</i>
1. Collects and uses data to develop and implement interventions within a problem-solving framework.			
<i>In addition to the characteristics of Effective:</i> Initiates and supports others to ensure collaboration with student teams to use available student data relevant to analysis of current capacity and barriers and the design of interventions. Plans interventions that will support function in future environments.	In collaboration with the student team, uses available student data (e.g., screening, assessment, evaluation, progress monitoring) relevant to analysis of current capacity and barriers and the design of interventions and therapy.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
2. Analyzes multiple sources of qualitative and quantitative data to inform decision making.			
<i>In addition to the characteristics of Effective:</i> Identifies patterns in data across multiple students and settings, brings to the attention of administration and advocates for responsive change.	Analyzes, assimilates and interprets data from multiple sources at the individual level and uses this data to guide and inform decisions concerning interventions and delivery of therapy.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
3. Uses data to monitor student progress (academic, social/emotional/behavioral) and health and evaluate the effectiveness of services on student achievement.			
<i>In addition to the characteristics of Effective:</i> Interprets data to the student team in an understandable way and serves as a resource to colleagues regarding data-based modification of interventions.	Uses individual data to monitor student progress and, in collaboration with the student team, evaluate the effectiveness of the intervention and modifies the intervention as indicated.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
4. Shares student performance data in a relevant and understandable way with students, parents and administrators.			
<i>In addition to the characteristics of Effective:</i> Facilitates an ongoing exchange of information regarding student performance and the effectiveness of the interventions.	Actively participates in an ongoing exchange of information regarding student performance and the effectiveness of the interventions and therapy.	Practice is emerging but requires supervision supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.

Domain B: Instruction/Intervention Planning and Design (OT/PT)			
<i>Highly Effective</i>	<i>Effective</i>	<i>Needs Improvement</i>	<i>Unsatisfactory</i>
1. Uses a collaborative problem-solving framework as the basis for identification and planning for academic, behavioral and health interventions and supports.			
<i>In addition to the characteristics of Effective:</i> Initiates, develops and implements systems to ensure collaboration with student and team to identify, problem solve and plan for academic, behavioral, communication, health and independent functioning interventions and supports.	Works in collaboration with student and team to identify, problem solve and plan for academic, behavioral, communication, health and independent functioning interventions and supports.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
2. Plans and designs instruction/intervention based on data and aligns efforts with the school and district improvement plans and state and federal mandates.			
<i>In addition to the characteristics of Effective:</i> Initiates using multiple sources of data. Designs, implements and modifies interventions aligned with school improvement efforts and other mandates.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
3. Applies evidence-based research and best practices to improve instruction/interventions.			
<i>In addition to the characteristics of Effective:</i> Participates evidence-based research or services as a resource regarding knowledge and skills needed for EBP.	Demonstrates use of evidence-based practices and sound clinical and professional reasoning in planning interventions and therapy.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.	Does not demonstrate or ineffectively demonstrates the practice.
4. Develops intervention support plans that help the student, family or other community agencies and systems of support reach a desired goal.			
<i>In addition to the characteristics of Effective:</i> Engages agencies and other systems of support with student and family to develop plans to achieve student goals.	Develops plans, interventions and therapy that reflect student goals and priorities and are supportive of or aligned with other interventions in the educational environment.	Practice is emerging but requires supervision, supports and training or prompts to consistently demonstrate the practice.
