

Welcome to the ACCOUNTING AND FINANCE DEPARTMENT OF THE WALTON COUNTY SCHOOL DISTRICT!

Our MISSION is to be a high-performing team, rendering value to each stakeholder constituency group, including: Students, Parents, Teachers and Employees, Administrators, The Walton County Business community, and Taxpayers.

Our contribution to the District is based on the VISION and common purpose of value-added services. We are responsible for accurate, efficient, and timely information that is critical to the financial success of the District. We will demonstrate benchmark standards of operation, support financial accountability, and operate efficiently.

This Vision of operational performance is based on the following common VALUES held within our team:

- 1) We support open, honest, and sincere communication.
- 2) We have a high commitment to each other based on trust and mutual respect.
- 3) We take responsibility for our actions and hold each other accountable to a high level of performance.
- 4) We will be open and receptive to change.
- 5) We will actively participate together as a team, accepting the diversity of skills and contributions within our group.
- 6) We will collaborate and seek positive outcomes with ALL stakeholder groups and each other.
- 7) Our leadership model will be servant-leader with the goal of reaching full team potential synergistically above individual excellence.
